Learn to Sing 2016

with

Hallmark of Harmony

Every Tuesday

6th September to 11th October 2016

HALLMARK OF HARMONY

SHEFFIELD'S CHAMPIONSHIP CHORUS

Not sung before, but want to give it a try? Want to sing again after a break? Looking for something new?

If this sounds like you, then check out our Learn to Sing course!

We will take you through the basics of singing, tips to improve your technique and the things that make our style of singing, Barbershop, so much fun!

The course will be delivered by a highly experienced team, in a supportive and friendly environment. Our priority is to ensure you enjoy yourself. If you discover you have a talent for what we do, then so much the better!

Learn to Sing is absolutely free, and there is no obligation. We will teach you a new song, and some simple moves to go with it. At the end of the course there will be an opportunity for you to perform the song with the rest of the chorus.

For those who go on to become members of Hallmark of Harmony, the fun and learning will continue, as we put these as the heart of what we do.

Still not sure? Then come along, listen, and join us for a cup of tea.
